

**BEFORE THE PUBLIC UTILITIES COMMISSION OF THE STATE OF CALIFORNIA**

Application of SAN DIEGO GAS & ELECTRIC COMPANY (U 902-E) for Adoption of its 2005 Energy Resource Recovery Account (ERRA) Forecast Revenue Requirement, Review of its Power Procurement Balancing Account, and Approval of its 2004 ERRA Trigger Amount.

Application 04-10-007  
(Filed October 1, 2004)

**ASSIGNED COMMISSIONER'S RULING ON  
THE NEED FOR EVIDENTIARY HEARING**

San Diego Gas & Electric Company (SDG&E) seeks Commission approval of its 2005 revenue requirement and related estimates under the Energy Resource Recovery Account. By Resolution ALJ 176-3140, dated October 7, 2004, the Commission preliminarily found that this was a ratesetting proceeding that was expected to go to hearing. However, there were no protests to the application, and it is now anticipated that the administrative law judge will issue a draft decision based on the application and supporting testimony as submitted by SDG&E. Therefore, evidentiary hearing is not required.

**IT IS RULED** that pursuant to Rule 6(a)(3), the preliminary determination that evidentiary hearing is needed should be changed, and I will place this matter on the Commission's agenda for that purpose (Rule 6.5).

Dated January 10, 2005, at San Francisco, California.
